& Meals**

For me cooking is: a way to make people feel happy when eating what I prepared. This in turn makes me happy.

Home country: South Africa

Languages: Fluent in Afrikaans & English, Basic German (A2)

Level of communication: Good, but when cooking I like to focus on the task at hand without too much distraction to ensure optimal results.

Signature dish: Pasta! I love the versatility and have a number of recipes that are scrumptious.

Cooking style: Afrikaans with a lot of influence from Nigella and Jamie Oliver. I'd say a very homely style.

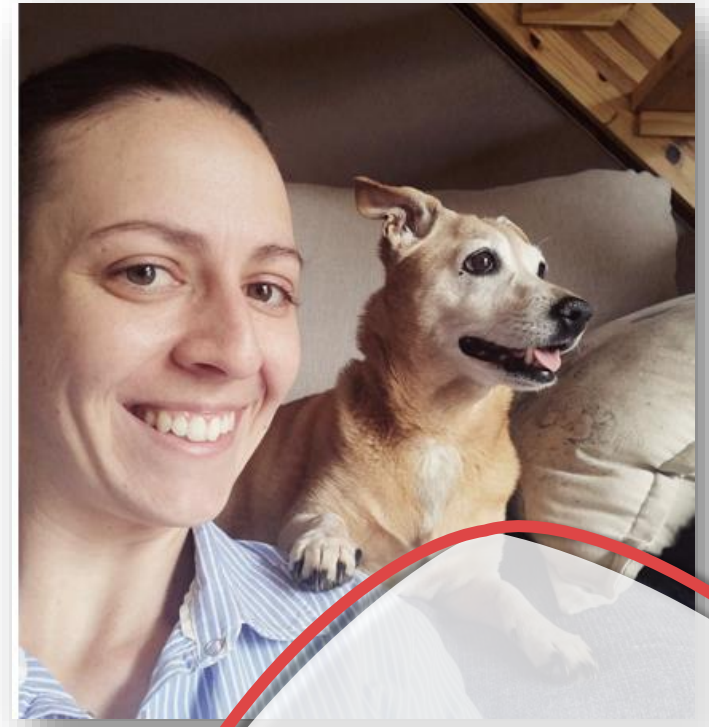

Service radius: Direct Munich area (M-zone)

Interests & Hobbies: Writing, reading, baking, spending quality time with my husband and our dog

Covid-19 regulations: Fully vaccinated + booster received

Other: In my love for writing and spending time in the kitchen, I've done a food-writing course. I love getting tips from cooking shows and trying them out myself to gain more experience.
